

Here's your chance to get in on the ground floor of something really BIG

The Men's Club was responsible for the Sukkah being built. The plan included a brick floor. We need your help finishing the job. For a \$150 contribution you can have a brick laid with your family name or other message on it. This is a great way to honor someone or commemorate a special event. There are three (3) lines per brick and each line has a maximum of 13 characters (count space between words and punctuation as a character). You don't have to use all three lines.
